

LEGACY
VACATION RESORTS

Please take note of the following BBQ Grill Policies:

- Grills are available to use by reservations only through the front desk as an amenity for all registered guests.
- Reservations are taken on a first come first serve basis and must be made at least 1 hour prior to your desired time.
- Grills can be reserved starting at 11am daily for a maximum of two hours. The grills can be used until 9pm daily.
- As a part of your reservation, our maintenance team will be happy to assist in warming the grill and offering grilling utensils for your use. Please arrive promptly at the start time of your reservation.
- After one guest finishes using the grill, we require that the grill is left vacant for a minimum of one hour so our maintenance team can properly care for the grill and have it ready for the next guest.
- To support the CDC guidelines of maintaining social distancing of at least 6 feet, only one grill may be reserved and in use at a time.

Thank you for your adherence to the above policies. Please don't hesitate to contact our team if there is anything we can do to ensure you an excellent vacation.

Sincerely,
Legacy Vacation Resort Staff
